

Coachella Valley Salt & Nutrient Management Plan (CV-SNMP)

COMMUNITY WORKSHOP #3

July 1, 2026 | 10:00 - 11:30 AM

PLEASE JOIN THE CONVERSATION!

Local water and wastewater entities, together with stakeholders, are developing the CV-SNMP in a locally driven collaborative process that is open to all and aims to preserve the sustainable, affordable use of groundwater in the Coachella Valley.

CVSNMP.COM

If you would like language interpretation or other reasonable accommodation, please email meagan@zephyrcollaboration.com by June 15.

Si desea interpretación de idiomas u otra adaptación razonable, envíe un correo electrónico a meagan@zephyrcollaboration.com antes del 15 de junio.

INTERACTIVE GROUNDWATER FORECASTING

Join us to explore new forecasting tools, visual animations, and potential strategies to protect the long-term use of groundwater in the Coachella Valley.

JOIN IN PERSON OR REMOTELY

Coachella Valley Water District
Board Room
75515 Hovley Ln E,
Palm Desert, CA 92211

Via Zoom
